

Scrubbers

Industrial strength scrubbers that get the job done right the first time.

Scrubmaster 26C

Scrubmaster 26B

Scrubmaster 33B

Floormaster 20BC

ScrubMaster 210

Scrubmaster 20B

Whether you clean narrow aisles, wide open concourses or something in between, Pacific's ScrubMaster™ series has a model that fits the job.

Our scrubbers range from the compact, battery-powered 20" models, to the 26" and 33" ScrubMaster models.

For ultimate productivity, sweep and scrub floors simultaneously with one pass with Pacific's cylindrical brush FloorMaster™ 20BC model.

They make cleaning large floor areas quick and easy, saving you time and money.

All of Pacific's scrubbers are equipped with sturdy housings, operator-friendly controls, industrial-strength squeegees for exceptional water retrieval, quick drain systems, and non-marking wheels.

Selecting a Pacific scrubber is one of the wisest investments you'll make that will pay for itself in labor savings year after year.
