FALCON™ ULTRA B

Battery-operated, self-propelled extractor

- Effortlessly clean tight spaces with this compact battery extractor

- Start cleaning in no time, thanks to simple automatic controls

- Clean deep down with 6 high-pressure spray jets to loosen and lift embedded dirt

Built to be tough.
Made to be easy.

It's powerful. It's easy to use. It gets the job done right!

Clean where big battery extractors can't!
Reach in and out of tight areas with this compact 24 volt, 17 gallon extractor.

Start cleaning right now
With simple, straight forward controls, the Falcon Ultra B is one of most easy-to-use extractors around.

Reliable and durable
Built-to-last – this reliable extractor's tough rotomold construction comes with an unbeatable warranty.

Engineered by Tennant Company, the Falcon Ultra B extractor is the smart, reliable choice for your no-nonsense cleaning needs.
