

Bentley™ Carpet Wand

8314T

FeatherTouch™
Spray Valve

Durable & lightweight
2" titanium tube

Adjustable height
tube coupler

Polished aluminum die-cast
14" head with spray shields

The best high performance carpet wand in the industry.

Built from durable titanium, the Bentley's™ light-weight and ergonomic design **reduces operator strain and fatigue** caused by standard cleaning wands.

Mytee®'s Bentley™ Carpet Wand includes a tube coupler, so you can customize the height of your wand for your perfect fit.

Features:

- 2" titanium vacuum tube.
- Specially designed 14" wand head maximizes airflow for optimal recovery.
- 5 stainless steel solution jets to give you total coverage for the ultimate cleaning performance.
- Lightweight at only 8 lbs.

Swivel head to easily
clean under furniture

Sight window to view
extraction process

Stainless steel glide
moves easily over carpet
