The Large-Capacity Focus Autoscrubber For The Big Jobs

Maximize your cleaning productivity with the large scrub path and run time options of the Focus autoscrubber line.

- Large 28, 33 and 38 inch cleaning path options available
- Large 30 gallon solution & recovery tank capacities
- Long battery run time options
- Choose the value of the standard "S" model, or the advanced features of the luxury "L" model
- Trim and highly maneuverable design
- Rugged enough to stand up to the harshest professional needs

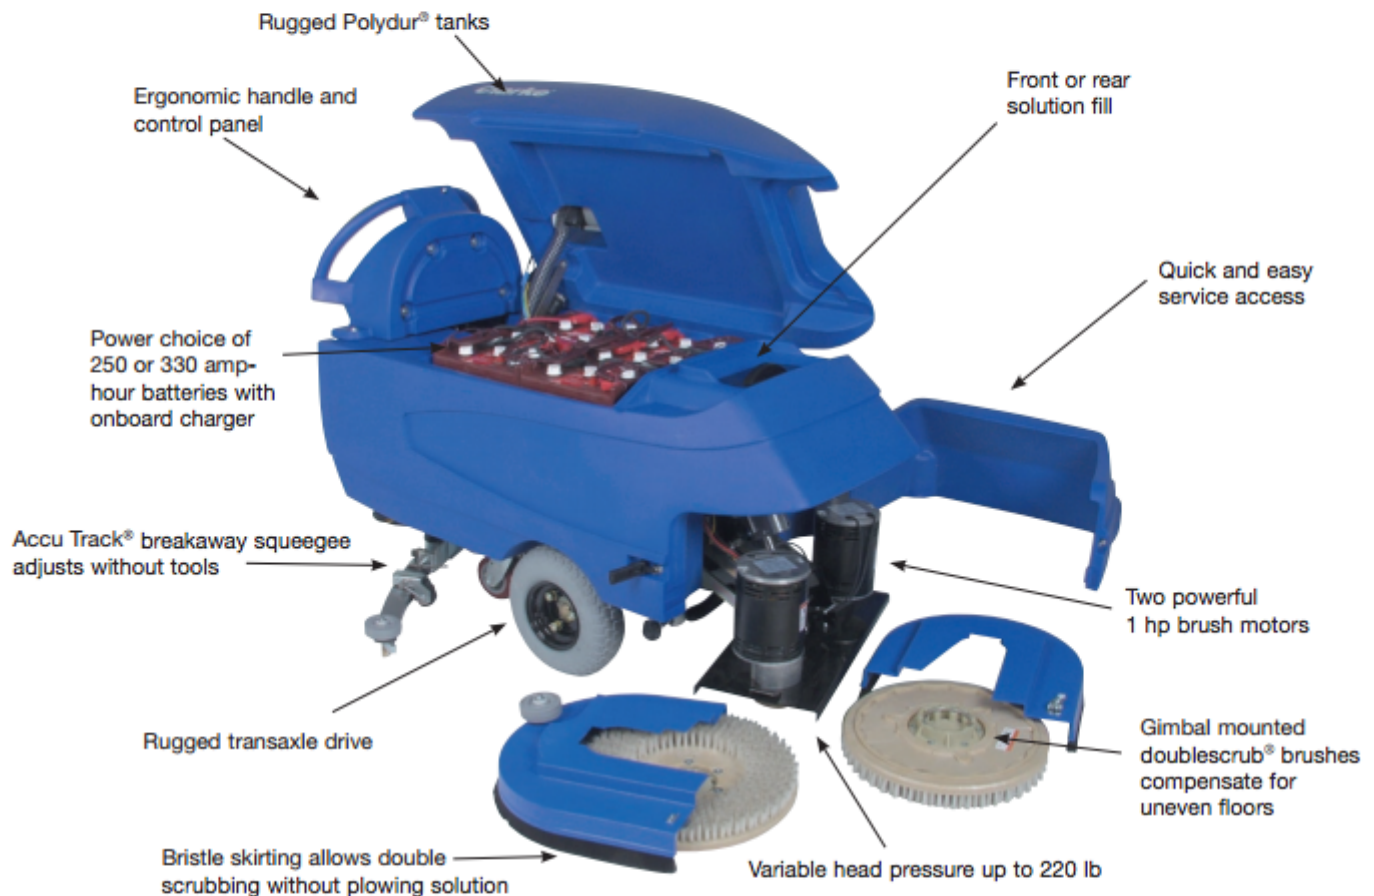

Low brush deck height is extended to allow close edge cleaning to reduce costly secondary operations.

Beyond ergonomics, the "L" model also features one touch scrub control with a multi-function display, auto squeegee lift in reverse, and automatic head pressure regulation.

Focus® Has Productive Features To Lower Overall Cost Of Cleaning

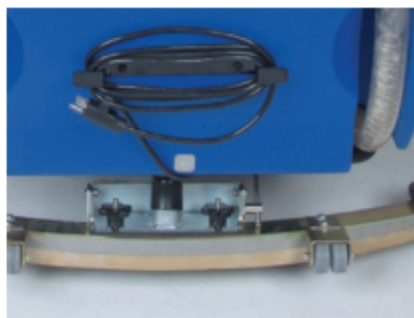

Available with:

- 250 Or 330 Ah batteries - choose batteries to provide 5+ hours of run time
- Pad driver or poly, nylon, or a variety of grit brushes - to fit your application needs
- Gum rubber or linatex squeegee blades - the best materials to leave the floor dry with any chemical
- Casters for smooth or rough floors - reduce wheel noise while adding durability
- Pneumatic or foam filled tires - your preference for the application to provide the best traction
- Off aisle spray & vac wand - get into those tight spots where the scrubber won't go
- Esp recycling system - extend the runtime between tank fills by recycling
- Parking brake - for facilities requiring that extra security on sloping floors and ramps
- Clarke Battery Maintenance System (CBMS) - protect your battery while maintaining runtime

"S" Model features a simple, ergonomic control panel with all control functions placed at the operators finger tips.

Focus autoscrubbers feature a smart onboard battery charger that protects your batteries during charging.

Dimensions (Width)	30 in	36 in	40 in	30 in	36 in	40 in
Dimensions (Height)	43.75 in					
Weight (with batteries)	1,005 lb	1,015 lb	1,025 lb	1,005 lb	1,015 lb	1,025 lb
Warranty	Polydur Tanks - 8 Years, Parts - 3 Years, Labor - 1 Year Batteries - 18 months prorated (Clarke battery warranty doubles with purchase of CBMS)					

Specifications are subject to change without notice.

What enhances its productivity?

- Large solution and recovery tanks
- Long run time battery capacity
- Accu Track breakaway squeegee features no tool adjustments
- Highly maneuverable with excellent sight lines

What does it do best?

- Fast routine scrubbing
- Deep and double scrubbing
- Leaves the floor dry to reduce slip/fall hazards
- Transports easily

What are the safety features?

- Dynamic braking slows machine to a smooth stop
- Safety yellow palm start buttons
- Automatic parking brake option
- Key switch prevents unauthorized use
