TORNADO®

The new Tornado 20" Walk-Behind Compact Scrubber is built for easy operation and maintenance and to reduce cleaning and labor costs in an affordable package. This Self-Propelled model has no trouble fitting through standard-size doorways and efficiently cleans and dries small, congested areas in just one pass, covering an average of 18,837 sq ft/hr. The 48.5 lbs of down pressure and 155 rpm of agitation maximizes soil removal, while the water recovery system provides a streak-free clean that leaves floors dry and safe.

The battery-powered scrubber's intuitive controls and self-propelled drive system reduces the training time for even your most inexperienced employees, while dependable parts and features like the easily accessible design that enables squeegees and brushes to be changed in seconds keeps downtime to a minimum. Clean any time with quiet operation of less than 70 dB and continue to clean for up to four hours with the optional battery.

PRODUCT SPECIFICATIONS	
Catalog Number	TS120-S53-U
MACHINE DIMENSIONS	
Dimensions (LxWxH)	43" x 21" x 41" (without squeegee)
Net Weight (Empty)	350 lbs (with battery) 187 lbs (without battery)
Sound Level	<70 dB
TANK SYSTEM	
Solution Capacity	11 gal
Recovery Tank Capacity	12 gal
Tank Construction	Polyethylene
Sink Fill Hose	No
Inline Solution Filter	Yes
SCRUBBING SYSTEM	
Squeegee Width	31"
Cleaning Path	20"
Brush Pressure	48.5 lbs
Brush Motor	.46 hp
Brush RPM	155
Productivity Per Hour (Theoretical Max)	18,837 sq ft
VACUUM MOTOR SYSTEM	
Vacuum Motor Power	.6 hp
Vacuum Motor Water Lift	50"
DRIVE SYSTEM	
Drive Type	Self-Propelled
Motor Horsepower	.16 hp
Turning Radius	N/A
BATTERY & CHARGING SYSTEM	
System Voltage	24 V
Run Time	3-4 hrs
Charger Type	On-board
Battery Types	Lead acid or AGM

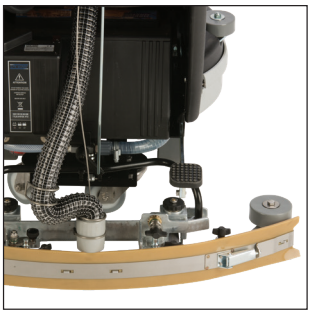

DOUBLE SCRUB WITH EASE
Raise and lower the squeegee with the conveniently positioned squeegee lever.

CONVENIENT ON-BOARD CHARGER INCLUDED
Available for purchase with batteries (lead acid or AGM) or without.

INTUITIVE CONTROLS
Simplifies training and reduces re-work with just a few, easy-to-understand controls.

CHANGE SQUEEGEES AND BRUSHES IN SECONDS
with the easily accessible, no-tools-required design.
