# CA90™ 32T

## Walk-Behind Automatic Scrubber

- **Extra-wide 32 inch cleaning path**
- **Available without batteries or with 250 Ah batteries and shelf charger**
- **Easy-to-use fingertip controls**
- **370 W traction drive system**
- **Rounded squeegee for easy and complete solution pick-up**

*Featuring variable speed control and pad pressure, as well as forward/reverse motion, the monstrous Clarke CA90™ 32T can cover over 34,560 square feet per hour and apply up to 200 pounds of down pressure. On top of that, its easy-to-use fingertip controls make it simple and intuitive even for new operators. The CA90™ 32T has a productive 32 inch cleaning path that makes it an ideal solution for large environments that require regular, aggressive cleaning such as schools, malls, hospitals, airports, hotels and more.*

Easily-adjustable traction drive and pad pressure.

32 inch wide cleaning path.

Available with or without batteries and charger.
