

TASKI®

TASKI® swingo 350 B and 350 E

Ultra-compact automatic scrubber drier

Key features:

- Accessibility of confined areas
- Cleaning and drying effectiveness
- Safety and simplicity
- Reliability and robustness

Accessibility of confined areas

Due to the very low height of the machine body and the handle which can be folded backwards the machine can reach under obstacles such as tables or racks. The roller brush, which is off set to the side, allows edge-close cleaning as well as access to corners. Having the front squeegee in front of the brush helps to remove the cleaning solution also when moving the machine backwards.

Cleaning & drying effectiveness

Compared to manual cleaning the machine delivers significantly higher hygiene levels and improves the floor appearance as well as consistency of result. This is achieved through maximum scrubbing action and the innovative V-shaped squeegee which leads to excellent drying results, even on difficult floors such as tiles with deep grouts, uneven or structured floors.

Safety and simplicity

Due to the system's perfect drying results the risk of slip-falls caused by wet floors is reduced to the minimum. This makes TASKI swingo 350B the perfect solution for use in day-time operations, even in high traffic areas. The ergonomically designed, height adjustable handle with hand protection allows for the safe and comfortable use of the machine.

Reliability & robustness

The machine is very robust and durable and can withstand even the toughest cleaning tasks, making it one of the most reliable machines of its type in the marketplace today.

	TASKI swingo 350 B	TASKI swingo 350 E
Theoretical performance	1140m ² /h	1140m ² /h
Working width	38cm	38cm
Squeegee width	55cm	55cm
Solution tank/Recovery tank	10 l/10 l	10 l/10 l
Rated voltage	24 V	220-240V / 50-60 Hz
Battery capacity / autonomy	25 Ah/C5 - up to 1 hour	none
Machine weight (ready for use)	67 kg	46kg
Dimensions (L x W x H)	79 x 45 x 43 cm	79 x 45 x 43 cm
Brush pressure (max.)	17 kg	22kg
Sound level	<70 dB(A)	<70 dB(A)
Cord length	N/A	25m

TASKI swingo 350 B and 350 E

Model	SKU Number
TASKI swingo 350 B	7518198
TASKI swingo 350 B BMS	7516861
TASKI swingo 350 E	7518529

Accessories/Additional Parts	SKU Number
Cylindrical brush standard 38cm	7516863
Cylindrical brush hard 38cm	7516864
Active bre padroll 38cm	7818532

Additional Features

Brush and Squeegee Unit: Brush and squeegee can be easily removed for cleaning. Also squeegee blade change does not require tools.

BMS: Battery Management System: The battery charger which is integrated in the machine, prevents deep discharging of the battery and monitors the charging process

Water regulation: Water flow can be individually regulated via the controls, according to degree and type of soiling.

Handle: The handle is ergonomically shaped and height adjustable which allows comfortable use of the machine and floated
