

# Reel Cleaner™

All-Purpose Cleaner

# Reel Cleaner®

**Touchless cleaning eliminates mops, spray bottles and timely wipes-downs. The result is increased productivity.**

The multi-functional Advance Reel Cleaner® makes touchless cleaning convenient. Its unique reels are designed to store each of the hoses, eliminating tangle hassles and reducing storage space. In addition, the 40 foot recovery hose is a 5:1 stretch hose for a maximum length with a minimum amount of hose to manage. The compact size of the Reel Cleaner allows for easy maneuverability and great sight lines for transporting.

Using the Reel Cleaner increases productivity and employee moral. Tedious, time consuming tasks of wiping down fixtures, scrubbing hard to reach areas and dusting difficult surfaces are eliminated by the ability to spray or blow dirt away. The Reel Cleaner has a 25 gallon clean water tank, enabling more area to be cleaned before dumping and refilling. The ergonomic handle is adjustable so operators can move the machine with ease.

The Reel Cleaner is designed with Total Clean® technology in mind. Equipped with a standard accessory kit, the Reel Cleaner has a storage place for each accessory. There are two chemical bottle wells designed to fit various shaped bottles. The motor and pump housing is a clam-shell design, which allows easy access for maintenance. Plus, a clean water sight gauge helps monitor the amount of water in the tank and enables dumping the tank without plugging in the machine. Total Clean technology ensures that the Reel Cleaner not only provides superior cleaning results, it's also easier to clean and maintain.

The Advance Reel Cleaner, combined with the chemical of your choice, makes touchless cleaning of restrooms, kitchens, locker rooms, stairwells and other areas effortless, improving cleanliness and productivity.

- 1** Ergonomic handle is adjustable to operator height or for storage
- 2** Various chemical bottles fit on the machine
- 3** Storage place for each of the standard accessories
- 4** 40 foot recovery hose contracts to 8 feet for ease of managing
- 5** Reels for easy storage of hoses
- 6** Drain hose allows for dumping into a commode or slop sink
- 7** Rounded ergonomic design reduces bulk and promotes maneuverability and comfort
- 8** Solution and blower nozzles are recessed to prevent damage
- 9** The casters have a brake so the machine stays in place while cleaning

**Restrooms**    **Carpet**    **Kitchens**  
**Locker Rooms**    **Windows**  
**Wheelchairs**    **Stairwells**

The 40-foot recovery hose is a 5:1 stretch hose for a minimum amount of hose to manage.

Unique removable hose-reel eliminates tangles and reduces required storage spaces.

Soils and contaminants are vacuumed from the floor leaving the area clean and dry.

The spray gun makes dirt removal easy in hard to reach areas and allows for quick rinsing of surfaces.

Solution gauge for monitoring the amount of solution in the tank or for emptying.

Clam-Shell design allows easy access to motor and pump.

## Technical Specifications

Model	Reel Cleaner®
Vacuum Motor	115 V/60 Hz, 12 amp, 1,400 W, three-stage
Waterlift	117 in (297 cm)
Air Flow	100 cfm (2,832 L/min)
Tank Construction	Rotational Molded Polyethylene
Solution Tank Capacity	25 gal (95 L)
Recovery Tank Capacity	22 gal (83 L)
Application Flow	300 psi @ nozzle, 1 gpm
Solution Hose Length	50 ft (15.25 m)
Recovery Hose Length	40 ft, 5:1 stretch (with 1.5 in diameter) (12 m x 3.8 cm)
Blower Hose	13 ft (4 m)
Power Cord	50 ft safety yellow w/GFCI (15.25 m)
Rear Wheels	2 - 10 in (25 cm)
Front Casters	2 - 4 in (10 cm) w/brake
Dimensions (Length x Width x Height)	L = 36 in (91 cm) x W = 21 in (53 cm) x H = 40 in (101 cm)
Net Weight	135 lb (61.2 kg)
Shipping Weight	180 lb (81.5 kg)
Model Number	56108050

Specifications subject to change without notice.

## Features and Benefits

Timely wipe-downs are replaced with spray or blow feature.

Easy access to motor and pump.

Rugged construction assures years of reliable performance. 10-year warranty on rotational molded tanks.

Compact and ergonomic design allows for easy maneuverability and transport.

## Smart cleaning.

Our products are designed using innovative technologies that increase productivity and drive down the cost to clean.

Maintain peak performance with Nilfisk Parts.

## Available Accessories and Options

- Two bend wand
- Variable pressure spray gun
- Scrub brush
- Floor squeegee tool
- Hand squeegee tool
- Blower tool
- Floor drain tool
- Metering tip packet
- Primer hose
- Grout scrub brush
- Caddy bag
- Extraction drag tool
- Extraction hand tool
