

Self-Contained Extractor EX-SC-716

Reach a higher standard of cleaning with a self-contained carpet extractor.

Ideal for smaller areas

Efficiently clean smaller areas with fewer empties/fills thanks to the 7 gal / 26 L solution and recovery tank capacity.

Efficient, effective design

Adjustable brush pressure ensures a customized clean. Multiple spray jets evenly disperse solution and easily twist off for rinsing.

Flexibility

Optional accessories include a hand tool, upholstery tool, floor tools, vacuum hose and solutions hose extension.

Key Benefits

- Unique body design allows cleaning under desks and counters
- Durable body construction delivers years of performance
- Moves easily and smoothly with its lightweight construction
