Floor Machines

Power and versatility for buffing and polishing or scrubbing and stripping

Kärcher floor machines and burnisher provide versatility, heavy cleaning and deep shine.

Kärcher's line of commercial-duty floor machines are built to endure the rigorous demand of commercial cleaning with rugged construction and durable, time-tested components. Utilizing cast aluminum housings rather than poly or stamped frames, the BDS and BDP machines are available in 175 and 1,500 RPM models for burnishing and buffing and come with 5" non-marking caster wheels for easy transport around the work site.

High mounted handle lock for easy height adjustment.

Enclosed motor provides protection against debris resulting in low maintenance.
