Water Hog™

WATER HOG™ COMMERCIAL PRESSURE SPRAYER

Features a 9 gallon (approx.) tank with a convenient faucet-fill hose as well as auto-fill.

Blast dirt and grime from tile and grout or pre-spray carpets with the Water Hog's™ powerful 1,200 PSI pump.

The 7304 Water Hog™ outputs a whopping 1,200 PSI at 2 GPM. This makes it the ideal choice for tile & grout cleaning, pre-spraying carpet, and any other pressure washing jobs including automotive detailing.

The Water Hog™ pairs perfectly with Mytee's Air Hog™ to create a complete modular setup that is unparalleled in power, mobility, and affordability. Already have an extractor? Add the Water Hog™ to your current cleaning setup. Weighing in at only 50 lbs., this lightweight unit is easy to transport and carry up stairs.

Features:

- 9 gallon (approx.) tank
- 400 – 1,200 PSI Pump
- Auto-fill
- Pressure gauge and regulator
- Convenient faucet-fill hose
- 3" locking casters
- 25' 12/3 power cord
- Lightweight at 50 lbs.
