### 3 GALLON CORD-ELECTRIC SPRAYER

# OPTI-MIST 3E

The Opti-Mist™ 3E is ideal for spot spraying or wide-area spraying where extended runtime is a must. This sprayer provides a consistent, controlled mist, and its handle and wheels make transporting it from site to site easy. Equipped with a 20' cord and a 25' coiled hose, the Opti-Mist 3E can cover plenty of area.

- Fast and effective in moving from one spraying site to another.
- The Opti-Mist 3E can spray up to 9,000 square feet per tank of solution.
- Compact and lightweight, transporting the Opti-Mist 3E is simplified by its retractable handle and built in wheels. A molded-in carrying handle helps with stairways and loading the sprayer into vehicles.

**DO NO HARM™**

If using the Opti-Mist 3E with a disinfectant, be sure to follow the chemical manufacturer's instructions regarding application, dilution, coverage and dwell time.

Printed on Green Seal® certified paper that contains 30% recycled post-consumer fiber.

## SPECIFICATIONS

# OPTI-MIST 3E

|  |                                       |
|--|---------------------------------------|
| <b>Tank Capacity</b>                   | 3 gallons (11.5 L)                    |
