

TGB 1120 & EGB 1120

Twintec Battery Scrubbers  
TGB 1120 / EGB 1120  
Pad Assist Walk Behind Scrubber

With 11 gallon solution and recovery tanks, the TGB 1120 and EGB 1120 are compact, easy to transport and so easy to use anyone can operate them. Both units clean up to 22,000 sq.ft./hr.

Key Features

- 11 gallon solution and recovery tank
- Both units run for 3-3.5 hours but the TGB 1120 has an onboard charger and is powered by 2 maintenance-free gel batteries while the EGB 1120 has an external charger and 2 wet lead acid batteries (not included)
- They both feature a patented flip-up head making pad or brush changes a breeze
- Fully adjustable flow rate
- Adjustable handle provides proper ergonomics for any operator
- Prolonged battery life with low-voltage shutoff
- Hour meter and battery level indicator
- Tear-away squeegee with quick-release blades for easy cleaning

Gel Batteries:

- Safest, most dependable batteries on the market
- Longest-life batteries on the market
- Emit 1/40 of the hydrogen gas of wet lead acid batteries
- Spill-proof and can be charged anywhere

Maintenance-free, gel batteries are standard
