

Saber™ Blade 12

12 inch upright micro-scrubber

Clean anywhere with this compact, lightweight, upright scrubber.

- **Rugged Construction**

- **The More Productive, More Hygienic Alternative To Mopping**

- » Floors are brush-cleaned and left dry, allowing you to quickly and safely return the area to service
- » Dirt and contaminants are captured and removed from the floor without worker contact

- **Easy To Use**

- » Lightweight – just 24 lbs
- » Easy-to-understand controls
- » Easy to fill and empty
- » Low, 4" profile allows the Saber Blade 12 to clean anywhere

Specifications are subject to change without notice.

Performance Features

Dirt is scrubbed from the floor and disposed of without worker contact.

Solution tank is designed to be filled at any sink.

Solution and recovery tanks can be removed together or separately to simplify filling and dumping.

The cylindrical scrub brush has squeegee blades on either side for water pick in any direction. The squeegee blades can be raised to allow double scrubbing.
