<b>Warranty</b>	Tennant warrants the rotationally-molded polyethylene housings and parts on all of its machines to be free from defects in materials and workmanship, under normal use and service for ten <b>(10)</b> years to the original end user. Under this warranty, we guarantee the performance of non-polyethylene parts and components to be free from defects for up to three <b>(3)</b> years or 2,500 hours of operation, whichever comes first, to the original end user. Parts replaced or repaired under this warranty are guaranteed for the remainder of the original warranty period. Labor charges are covered for three <b>(3)</b> full years from the date of purchase for Tennant models, provided an authorized Tennant service provider is used for repair.
