Excellence Meets Clean

Mirage Burnisher

28" Propane Burnisher

The Mirage Kawasaki Propane Burnisher features greater pad pressure and a 3600 rpm engine. This rugged machine produces up to 35,000 sq. ft. per hour of polished wet looking floors. Mirage Kawasaki burnishers offer economy and performance. The shine and durability of a Minuteman Mirage Kawasaki propane burnisher is without equal. In fact, the result is a floor finish that is more resilient, more lustrous, and durable with time - a shine that actually improves with each dry buffing. These extraordinary results are only possible because of the unique performance capabilities.

General Overview

- 28" inch pad size for efficient burnishing
- 3600 rpm ultra speed performance
- High rpms and increased pad pressure mean longer lasting shine with less repeated applications like scrubbing and stripping
- Cost savings in labor and chemical is substantial over time
- 17 hp air cooled Kawasaki motor

Productivity

- Provides maximum power and pressure for the deepest shine
- Capable of covering 35,000 sq. ft./hr.
- Ultra high speed burnishing provides for stunning results

Safety

- Equipped with a catalytic converter which significantly reduces carbon monoxide emissions to less than .01% CO
- Heavy-duty 14-3 jacketed power cord.
