

Mytee 1001DX-200 Speedster Deluxe Heated Carpet Extractor

Overview:

Powerful, portable, user-friendly and affordable – it's easy to see why the 1001DX-200 Speedster Deluxe heated carpet extractor is a favorite among carpet cleaners everywhere! Each Speedster has waist-high switches and bucket-high drains. The Speedsters have 12" ball bearing wheels and 5" locking casters for easy mobility around the job site or even stairs. The Speedster is virtually as good as it gets when it comes to purchasing a carpet cleaner.

Includes:

Detachable power cords and a large hanger for storing hoses and cords

Features:

Powerful 220 PSI diaphragm pump, 200 CFM, 130" of water lift, and 2" vacuum inlet and float
Efficient 2,000-watt, maximum 200° heater and two 3-stage LA (low amp) motors with maximum suction and airflow to clean and dry carpets quickly
10-gallon capacity solution tank
User-friendly aluminum handles for easy loading and unloading
Easy-open vacuum tank lid
Waist-high switches and easy-access components to reduce bending
Durable roto-molded polyethylene that resists rusting and denting
Water Resistant Switches
Water resistant switches add protection against dust and water intrusion.
Locking casters provide stabilization and prevent any unwanted movement.
Lighted power cords indicator plug glows when the cord has power.
The easy faucet fill makes for an easy and convenient way to fill up the solution tank.
The 12" non-marking wheels make it easy to go upstairs.
Cuff-Lynx provides an easy connection for vacuum hoses.

Specifications:
