

# Saber Micro 16

Innovative and powerful alternative to manual cleaning.

Longevity, reliability and durable. Performance you can count on for years.

## • Cleaning Performance

- » Compact design provides powerful scrubbing in smaller or congested areas
- » Quiet – good for day cleaning
- » Easy to handle with a pivoting squeegee

## • Ease of Use

- » High maneuverability for efficient cleaning along walls and tight areas
- » Recovery tank can be completely removed – comfortable carrying handle
