

# Sanitaire SC889A 6.1Q QuietClean Upright Vacuum Brochure

## Overview

Quietclean high performance cleaning. CRI and LEED certified, 2-motor, 6.1-qt. Upright with quietclean or normal operation flip switch. Premium filtration synthetic media filters 96.75% of allergens down to 0.3 microns for cleaner air. Easy access dual zipper bag makes installation of the 6.1-qt. Bag simple and quick. The vibra groomer chrome brushroll features replaceable bristle strips for easy maintenance and extended vacuum life. The 50-foot quick change cord and easy-access dual-zipper bag make cord and bag changing a cinch.
