

# SE-175

Super Heavy-Duty Floor Machine  
175 RPM - 1.5 HP  
15", 17", 19", and 21"

- Safety enhanced interlock switch leaves both hands conveniently in control.
- Safety enhanced non-conductive dual triggers eliminate shock potential.
- 48" tall handle is fully adjustable to be comfortable for all operators.
- All metal chassis gives added weight for faster results.
- Precision balanced, 1.5 HP, heavy-duty 66-frame motor for easiest operation.
- 15", 17", 19" and 21" size traditional all metal reinforced bell housing aprons.
- Includes 50 foot safety power cord. Motor plugs in at handle base for easy maintenance.
- Scrub with a rotary brush 2" smaller than apron size and pad driver 1" smaller than apron size. Fast, easy brush mounting with a "B" style / "92" style clutch plate.
- Non-marking super-thick bumpers protect floors, walls and baseboards.
- Triple-planetary high torque transmission handles the most demanding applications.
- Non-marking retractable 6" wheels for easy transport.
- 3 year warranty on motor and transmission. 5 years warranty on chassis.
