

# SE-1500 & SE-2000

1500 RPM & 2000 RPM - 1.5 HP - 19"  
Ultra High Speed Burnisher

- Safety enhanced interlock switch leaves both hands conveniently in control.
- Safety enhanced non-conductive dual triggers eliminate shock potential.
- Fully adjustable handle positions are comfortable for all operators.
- Motor plugs in at handle base. Includes 50 foot safety cable.
- All metal chassis gives added weight for a longest lasting, brightest shine.
- Separate non-marking transport wheels prevent tracking of contaminants.
- Non-marring full wrap bumpers protect walls and baseboards.
- 1.5 HP, D/C rectified motor eliminates brown-outs, low voltage, and startup torque problems.
- Low profile drive apron gives the clearance to easily reach under counter coves and beds.
- Balanced chassis design provides more precise pad pressure.
- 2000 RPM model has adjustable pressure front wheel assembly (not pictured) gives consistent results to even novice operators.
- Includes flexible pad holder with pad centering device to deliver even shine and gloss.
- Reliable quality. Built in the USA. UL 7C29 listed.
- 5-Year warranty on motor and chassis.
